

Project Initialization and Planning Phase

Date	30 September 2026	Team ID	MKU201SpreadSheet
Project Name	ServiceNow – Spreadsheet Data Import Project	Maximum Marks	3 Marks

Brainstorming & Idea Prioritization Template

Step 1: Brainstorm and Idea Listing

Each team member lists possible ideas for improving the spreadsheet-to-ServiceNow import process.

S.No	Team Member	Idea / Suggestion	Category	Group No.
1	Harsha Varthan S	Import spreadsheet employee records into ServiceNow	Data Import	1
2	N. Mukesh Kumar	Map spreadsheet columns to ServiceNow fields	Field Mapping	2
3	B. Kalidoss	Validate employee data before importing	Data Validation	3
4	S. Sanjay Kumar	Check imported records after the import	Verification	4
5	T. Gokul Kannan	Use a standard spreadsheet format for imports	Standardization	5
6	Team	Reduce manual data entry by using spreadsheet import	Automation	6

Step 2: Idea Prioritization

Rate each grouped idea on feasibility and importance, then select the final idea(s) to move forward with.

Group No.	Final Idea	Feasibility (High/Medium/Low)	Importance (High/Medium/Low)	Priority Selected (Yes/No)
1	Spreadsheet employee-data import	High	High	Yes
2	ServiceNow field mapping	High	High	Yes
3	Pre-import data validation	Medium	High	Yes
4	Post-import record verification	High	High	Yes
5	Standard spreadsheet format	High	Medium	Yes
6	Reduce manual data entry	High	High	Yes
